Jackson Safety[®] Knee Pads

KNEE PADS - PREMIUM GRADE

Jackson Safety Ultra-Flex Knee Pads

- The articulating hinged design ensures proper placement all day long – set them once and forget you are even wearing them
- Soft elastic, extra-wide woven straps with reinforced sewn ends are placed well above and below the knee – no Velcro, which contaminates over time
- Straps stay aligned with your legs in any position – will not bind behind the knee
- Built with strong, flexible hard plastic outer shells that extend well above, below and to the inside/outside of the knee for added knee and leg protection
- Metal rivet hinge ensures long lasting protection while kneeling or walking
- On the outside, pads feature a perfectly placed curved non-marking Grip Strip
- Grip-Strip designed for use in all applications without gumming up
- On the inside, pads offer a long lasting 16 mm (5/8") closed cell foam pad for maximum comfort and protection
- Sweat does not penetrate closed cell foam – lasts longer and won't "stink"
- Our Jackson Safety Ultra-Flex Gel version offers even greater user comfort and protection through the use of a three layer, 19 mm (¾") thick closed cell foam pad with built-in GEL packs – the ultimate in knee protection!
- Virtually indestructible – built for years of hard work and heavy use
- Specially designed Quick-Snap clips ensure quick and easy removal
- Comes in convenient, reusable mesh bag with one extra Quick-Snap clip
- Pads weigh only 260 g (9 oz.) each
- Excellent for welders, ship builders, roofers, construction workers, flooring installers and anywhere hard working knee pads are required

Jackson Safety Ultra-Flex Gel Knee Pads

- The Jackson Safety Ultra-Flex Gel Knee Pads offers all of the same legendary features as the Jackson Safety Ultra-Flex pad but has the added advantage of a built in GEL pack for supreme comfort and fit
- This is the ultimate knee pad for extreme applications where users are on their knees for extraordinarily long periods of time
- Unlike many GEL pads on the market, our GEL packs are securely placed inside a three layer, 19 mm (¾") closed cell foam knee protector compartment and are guaranteed to stay leak-free
- Available with black shells and Hi-Viz orange Grip Strip
