Jackson Safety[®] Face Shields

MAXVIEW[™]

EXCLUSIVE!

Premium Face Shield

The MAXVIEW[™] is a premium face shield that features an oversized window to deliver exceptional optical clarity and an industry-leading panoramic view. A built-in side and chin guard protects against splash and flying debris while the extended crown keeps you protected from overhead hazards.

- The Maxview is designed to offer maximum face protection coverage, incorporating an extra-large clear polycarbonate window that is available in two options: without anti-fog treatment or with our premium anti-fog coating
- The high-impact PC window is then framed on the side and chin areas and features an extra-large crown
- This combination translates into maximum coverage, head to lower neck, and side to side. In fact, Maxview offers a full 1" of extra window protection on each side (2" total) versus the leading face shield model, ensuring best-in-class protection and exceptional panoramic views. Check and compare!
- Given its amazing coverage and viewing area, the Maxview is incredibly light
- Maxview incorporates engineered detents that lock in both the up and down positions
- Designed to be used with most goggles, respirators, and all safety glasses
- Premium **370 Speed Dial[™]** ratcheting headgear suspension - The 370 Speed Dial[™] is highlighted by Jackson's famous "Easy Grab-Easy Turn" oversized adjusting dial and patented swivel adjuster band, achieving maximum comfort and fit quickly, easily, and conveniently—saves time, increases productivity, and improves worker safety!
